

SAM is looking for a Crew Chief to join the Surveying group in our Columbia, SC office.

## DUTIES

Determine most efficient plan of action for data acquisition for field surveys ranging from primary control through construction layout and as-builts, as needed

- Understand and follow directions
- Proficient with documentation of work performed and sketches
- Communicate daily with Project Surveyor and technician regarding project schedule and work progress
- Interact professionally with client representative and land owners
- Read and interpret construction drawings/specifications and understand all aspects of the project specifications and tolerances
- Prepare daily reports, time sheets, and other required paperwork
- Maintain vehicle and field equipment
- Other duties as assigned

## REQUIREMENTS

5+ years of experience in a party chief or supervisory role required

- Surveying experience with tower sites, electric transmission lines and/or transportation projects
- Ability to keep your own field book
- Experience with Trimble Total Stations, Levels, Trimble R10 GNSS GPS Receivers and tablet data collectors preferred
- Valid driver's license, in conjunction with successfully passing the company MVR requirements, clean background check and drug screening
- Ability to travel up to 80% and as the business necessitates
- Per Diem will be paid for any non-local work
